

- **Acts 3: 1-10**
- Witnessing is a part of life. As a believer seeks the Kingdom of God, witnessing will come naturally.
- The Preparation for witnessing: Peter and John in Christ;
 - they have a willingness to be Spirit led;
 - a schedule adjustment is not a burden;
 - there is no fear.
- The situation:
 - Peter & John look at the person.
 - They know they have no control over the man's expectations.
Peter & John only give what they have-- Jesus.
They give a hand up in faith.
 - They give credit where credit is due.
 - Many others are affected.
