

Active Service with Inner Control

If anyone thinks himself to be religious, and yet does not bridle his tongue but deceives his own heart....James 1:26

Are You Religious

- + Religious can be anyone that has something that they worship
- + Test for a good Christian – vs. 26
- + Do you control your tongue or does your tongue control you?
- + We must allow Christ to bridle our tongue
- + We must not always agree, but that does not mean we can't be agreeable

Christ is Seen in Service

- + There are two areas of ministry that should be a part of the Christian life
 - o To help the orphans
 - o To help the widow
- + Keep oneself unstained by the world
