

Holton USD 336

Application for Nonresident Student Enrollment

The USD 336 Board of Education has determined the capacity available in each grade level in each school building of the school district for the upcoming school year.

The number of open seats available to nonresident students in each grade level for each school building can be found on the district's website at www.holtonks.net. All incoming out-of-district students accepted must be "in good standing" as defined by the Holton Board of Education and must remain that way to continue enrollment. Nonresident students must possess acceptable attendance, passing grades, and minimal discipline issues from the transferring school. Parent conduct is a factor after the first year.

This application must be submitted between June 1 and June 30 of the current school year before enrolling in the upcoming school year. Each student in the family must have their own application.
