## HMS/HHS PERMISSION TO RECEIVE ACTIVE SHOOTER TRAINING

For participation beyond instruction and lockdown drills, please sign the signature line below.

I will allow my son/daughter \_\_\_\_\_ to **participate** in the *ALiCE* training at the school. I understand that during the drills and scenarios my son or daughter will be subject to physical and emotional demands. I further understand that while the school district will attempt to make the scenarios as safe as possible and will use protective gear as feasible, there is still some risk involved in this training as at times it will be chaotic. I understand Nerf guns will be shot at students during the scenarios. To participate, students must be dressed appropriately with appropriate footwear (no heels or flip-flops for these drills please).
